

HUN-804

Spices, Mehandi, Gulal, Atta, Besan etc.

Mini Coller Type Auger Filler Packaging Machine

AC drive/PLC/Micro view:	L&T / DELTA
All Contact Parts:	SS made
Compressed air require:	10 CFM @ 6 BAR
Cylinders:	Festo/Camozzi/SMC/SPAC
Electrical power:	3 x 380 3 KW
Filling system:	Auger filler system
Film Draw Mechanism:	Clutch and brake
Machine Body:	MS with powder coated
Machines weight:	700Kg (Approx.)
Main motor:	1 HP Crompton Make, 3phase/servo motor
Maximum film roll width:	250mm
Packaging film:	Heat sealable laminated film in roll form.
Packing speed:	Up to 40-80 PPM
Product application:	10gm to 100gm
Quick speed control:	By AC drive
Sealing type:	Center side seal
Hopper material:	(SS-food grade)

HUN-805

Fryums, Kurkura, Soyabari, Pulses, Namkeen etc.

All product contact parts:	SS made
Electrical power:	3KW
Machines weight:	700 Kg (Approx.)
Main body covers:	MS with powder coated
Main Body type:	Fabricated (MS)
Main motor:	1HP (Gear motor-Bonfiglioli, Crompton Greaves), Single Phase
Maximum film roll width:	250mm
Packaging film:	Heat sealable laminated film in roll form
Packing speed:	80 pouches/min
Product application:	Any item which can run on surface
Sealing type:	Center seal
Feeding system:	Manual Feeding

Mini Coller Type Cup Filler Packaging Machine
