

HUN-802

Spices, Mehandi, Gulal, Atta, Besan, Powder etc.

Coller Type Auger Filler Packaging Machine

AC drive/PLC/Micro view:	L&T / DELTA
All Contact Parts:	SS made
Compressed air require:	10 CFM @ 6 BAR
Cylinders:	Festo/Camozzi/SMC/SPAC
Electrical power:	3 x 380 3 KW
Filling system:	Auger filler system
Film Draw Mechanism:	Gear Motor
Machine Body:	MS with powder coated
Machines weight:	1200Kg (Approx.)
Main motor:	1 HP Crompton Make, 3phase/servo motor
Maximum film roll width:	450/700mm
Packaging film:	Heat sealable laminated film in roll form.
Packing speed:	Up to 20-60 PPM
Product application:	10gm to 10kg
Quick speed control:	By AC drive
Sealing type:	Center side seal
Hopper material:	(SS-food grade)

HUN-803

Fryums, Kurkura, Soyabari, Pulses, Namkeen etc.

Coller Type Cup Filler Packaging Machine

All product contact parts:	SS made
Electrical power:	3KW
Machines weight:	1200 Kg (Approx.)
Main body covers:	MS with powder coated
Main Body type:	Fabricated (MS)
Main motor:	1HP (Gear motor-Bonfiglioli, Crompton Greaves), Single Phase
Maximum film roll width:	450/700mm
Packaging film:	Heat sealable laminated film in roll form
Packing speed:	80 pouches/min
Product application:	Any item which can run on surface
Sealing Mechanism:	Intermediate
Sealing type:	Center seal
Feeding system:	Manual Feeding
Chain Conveyr:	8 ft long Conveyr with pusher/rod
